{ Nine Months In The Making }

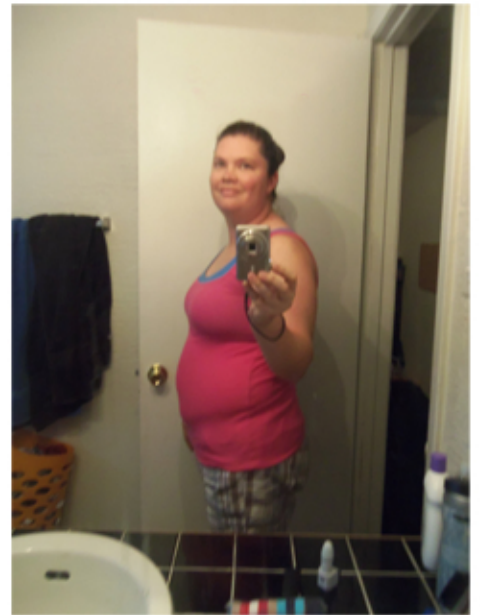

Let me capture your glowing pregnancy moments.

Nine Months in the making is a month to month journey of your growing belly. each month we will meet in the same location to create a storyboard of your journey

We will end your journey at 36 weeks with a glamor session. This session will include being pampered with hair & makeup, and a glam shoot.

Nine months in the Making is a great way to document your growing belly.

Your package will include
Press Printed album
16x20 collage print of your journey.
